

## LEGAL ASSOCIATE AT BSP PHARMACEUTICALS

### **The organisation**

BSP Pharmaceuticals is a leading Italian company which focuses on the development and manufacturing of anticancer drugs for the pharmaceutical industry. Recognized for two consecutive years as the world's leading provider of ADC product services, BSP is a benchmark for major pharmaceutical and biotech companies.

### **The role**

BSP Pharmaceuticals is now seeking a highly motivated lawyer to join the Legal Department based in Latina. You will report directly to the responsible of the legal department.

You will provide legal assistance on corporate and commercial contracts, corporate governance and company secretarial matters, competition law, data protection/privacy and public procurement, you will also be involved with litigation issues. You will also provide assistance on the Organizational Model ex 231/01 and support to the Supervisory Body.

### **The person**

Ideally you will be a lawyer with 4/5 years' experience gained in a leading law firm and/or as in-house lawyer. You will have gained a solid experience in corporate law and commercial contracts. You will be a good team player, will have strong interpersonal and negotiation skills. You will have excellent communication and management skills. You should be comfortable working in team as well as independently. Fluent English (both written and spoken) is essential as the company's clients are mainly international.
