

## JUNIOR LEGAL COUNSEL

Founded in the seventies, this company is now looking to strengthen its legal department by hiring a Junior Legal Counsel for its offices based in Milan.

### The Role

You will be part of the corporate department, you will be expected to work independently but with all required support to aid your development. You will, among the others: provide legal advices and conduct legal researches on a variety of legal topics including civil law, intellectual property, corporate law and real estate. You will provide legal assistance on litigation and contracts matters.

You will assist on legal requests in relation to their products and services.

### The Person

You will be a junior lawyer with 3/4 years' experience in a primary law firm and/or as in-house lawyer in a medium/large sized, structured and international company; You will have excellent communication and management skills. You will be a good team player, will have strong interpersonal and negotiation skills. You should be comfortable working in a team environment as well as independently, with a willingness to assume responsibility. Strong planning and organisational skills and excellent attention to detail, accuracy will complete the profile. You will be a native Italian speaker with fluent English (both written and spoken).

### The Package

Up to 45,000€
